Mary Pianta	**World Diabetes Day - 14 November, 2026.** The theme for this year is "Early Action on Diabetes" and marks the beginning of a 2-year campaign (2026-27). Sugar can cost us our eyesight so we are urged to reduce our intake in order to avoid potential blindness. Blindness due to diabetes is preventable, but diabetes-related eye disease is the leading cause of blindness among working-age adults in Australia. Without regular eye checks, any damage to the retina is likely to develop. Early treatment will be less invasive and more successful. Mary Pianta, Disability Contact Coordinator.

MPL Care for Creation Team	**St Francis of Assisi Reflection and Prayer Resource** It has been 800 years since the death of St Francis of Assisi, yet he remains deeply relevant today. His life speaks to some of the most pressing concerns of our time: care for creation, peace, poverty, fraternity and a simple, Gospel-centred life. St Francis' vision was not about admiring creation from a distance, but recognising our relationship with God, one another and the whole of creation. Pope Leo XIV declared 2026 a special Jubilee 'Year of St Francis'. To mark this important anniversary, the Diocese of Sandhurst has published a resource for reflection and prayer, developed by the Office of Mission and Pastoral Life at the Chancery with the Sandhurst Care for Creation Team. The Diocese invites people to rediscover the witness of St Francis and to draw his spirit of simplicity, peace, compassion and care for creation into their own lives and prayer. This A5 booklet can be downloaded from the Diocesan website, here: https://sandhurst.catholic.org.au/item/3145-st-francis-of-assisi-jubilee-prayer-book	Poster
